**Welcome to Shaheen Restaurant**

Shaheen Sweets & Restaurant is the pioneer in authentic Pakistani and Indian cuisine in USA. Shaheen is known for its Snacks and Sweets which are nostalgically of same tastes and flavors of Indian Sub-continental culinary delicacy, because of its strict adherence to authenticity, selection of right and quality ingredients, and unique preparation.

No wonder why Shaheen Sweets & Restaurant was selected and included in the Hall of Fame for Ethnic Business Reviews by City Line, NY, City Paper of Baltimore mentioned Shaheen Sweets & Restaurant as the best Indian Restaurant in Baltimore for 1999 and 2010. It proves that Shaheen maintained the legacy of authenticity for over decades.

Shaheen is privileged of serving many visiting Head of States and dignitaries over a period.
